

Annual Man-Tel Spring Fishing Derby

On The Shores of Lake Winnipeg @ Grand Marais, MB

Join us on **Saturday June 13th, 2026** (rain-out date of Sunday June 14th, 2026) for a fun day of fishing on the shores of Lake Winnipeg in **Grand Marais, Manitoba**. Please park along the shore of the lake on Grand Marais Blvd, and then head South along the peninsula. You can fish on the West lake side, or on the East lagoon side. Many master angler sized fish have been caught (and released) here on both sides of the peninsula, so try your luck on both sides. NOTE: This is the Family Fishing Weekend in Manitoba so no fishing license is required during the derby.

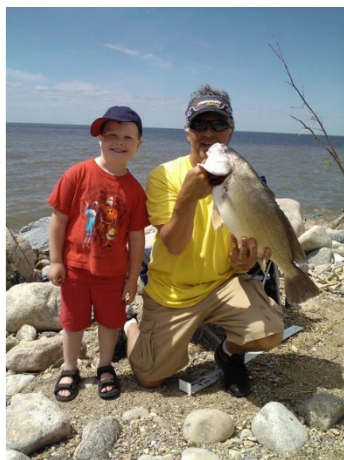

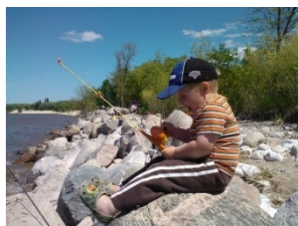

The derby runs from 10am to 3pm and each fish you wish to enter must be measured by a designated representatives who will be spread out along the derby area, and each entered fish must be released live immediately after to qualify in the derby. Only your **largest fish from each qualifying species** needs to be measured for the derby, so if you already had a 27" Channel Cat and catch another 22" Channel Cat you don't need to measure it, but be sure to measure your first fish of each qualifying species as a seemingly small fish can beat out a much larger one after its size has been converted. Note: Bullhead are only eligible in this derby under the Kids prize division, however you should **measure all potential Master Angler sized fish**. <https://anglers.travelmanitoba.com>

Adult Cost: \$25/Adult Entry (16 years old and up)

Kids Cost: \$10/Kids Entry (6 to 15), under 6 is free (Kids under 6 must fish with a paid Adult)

Note: Separate Kids and Adult prizes, but Kids can pay the appropriate Adult entry and compete for Adult prizes.

Prizes will be awarded at the included barbecue (hot dog, chips, pop/water), held **around 3:30pm** at #74 Pinehurst after the derby. Note: For friends/family who don't fish = \$5/Barbecue Only.

Any questions, please contact the organizers at Fishing@GrandMaraisManitoba.com or via text to 204-998-1029. So that we can be prepared for the number of participants for prizes and to purchase enough food for the included barbecue, please **confirm your group's attendance by Wednesday June 10th, 2026** via the new derby registration form found at <https://Computerjones.com/fishing-derby-registration/> (Early Bird advanced payment is optional).
